BOARD OF EDUCATION

Providing an adequate education for the students of the M-F-L school district is the primary concern of the school board. In this connection, the position that involves the greatest responsibility is that of the presidency. Gordon Schultz has held this office for 17 years giving countless hours of dedicated effort for our school.

During his term as president, Monona

and Farmersburg schools reorganized and later included Luana to form the M-F-L Community School. To accommodate the increased enrollment, an elementary wing was built in 1956 and an addition to the high school was built in 1966.

The personnel of M-F-L and the residents of the school district are grateful to Mr. Schultz for his devotion to the cause of education.

THEIR ANSWERS AREN'T FOUND IN THE STARS

James Dohse

Upper Iowa college was the choice of Mr. Dohse, where he received his BS degree. He teaches advanced math, algebra I and II, and is the assistant football coach and head wrestling coach.

Terry Heald

Hypotenuse, Pythagorean Theorem, and postulate are familiar terms to Mr. Heald, geometry and general math teacher. He is assistant football and varsity basketball coach, J.V. boys basketball coach, and girls golf coach.

Coe college is where he received his BA degree.

Ron Fullhart

Graduating from Tarkio College with a BS degree, Mr. Fullhart teaches business training, bookkeeping, and general math. In addition he is business advisor for the annual.

MATHEMATICS

1, 2--There's work to do;
3, 4--They gave us more;
5, 6--We learn the tricks;
7, 8--It' too late;
9, 10--Start again.

If math were only this easy, students wouldn't appreciate the challenge they find in our basic and advanced math classes.

Shirley Hauan

Lois Hamann

Almeda Boardman

Rose Turner

Miss Shirley Hauan directs the sophomores in this subject. In addition she coaches junior high girls softball, basketball, and track. Miss Hauan is also the junior high girls physical education teacher. She is a graduate of Luther College with a BA degree.

Students who consider German as an elective not only learn the language, but also the culture of the German people as well. This two-year course is taught by Rose Turner, who has a BA degree from Macalester College.

LANGUAGES

Recognizing the importance of the basic understanding of our language, students of M-F-L are offered four years of study in English--three of which are required. German is the foreign language offered as an elective to our students.

In addition to English III and IV Lois Hamann is director of the speech and dramatics department in our school.

She has a BA degree from Coe College.

Helen Martin

Under the direction of Almeda Boardman the freshmen continue their study of grammar, themes, literature, and in addition, have a six weeks course in speech. She is also the junior high librarian. Upper Iowa college is where she received her BA degree.

During the past year, Helen E. Martin received her MA degree from the University of Wisconsin. She also has a BA degree from the University of Iowa.

She is the high school librarian and also teaches one class of English III.

SOCIAL STUDIES

"We can't know where we are going, if we don't know where we are," might also apply to the purpose of the social studies program in our school. Only by studying past events can we understand current problems and try to chart a peaceful course for the future.

Of interest to the entire student body have been the polls conducted by the government classes of Mr. James Middendorf. He also teaches drivers education. Upper Iowa college is where he received his BA degree.

Larry Dawson

Using the experience he gained as a basketball player at Coe College is helpful to Mr. James Ernst in coaching the boys basketball team. He assists in football and track. Physical education and government are the classes he teaches.

The degree he holds is a BA.

James Middendorf

How events of the past have shaped the issues of today are discussed in the American and world history classes of Mr. Dawson. He is also the assistant softball and girls basketball coach. He is the head coach for J.V. girls basketball and varsity girls track.

He received a BS degree from Northwest Missouri State College.

James Ernst

ART

Another first for our school has been an art class for high school students. Until this time, only elementary and junior high students enjoyed this creative activity.

Swenette Forsberg

Elementary, junior high, and high school students can learn to express themselves in art under the direction of Miss Forsberg.

She holds a BA degree from Luther College.

SCIENCE

In our complex world it is necessary to have a thorough understanding of science and how it relates

to us. We depend upon the teachers in the science departments for this knowledge.

Raymond Vangen

Biology and general science occupy Mr. Vangen's time in the classroom. On the field he is head football coach and assists with boys track in the spring.

He graduated from Luther College with a BA degree.

Walter Begalske

"Fore," can often be heard from Mr. Begalske, who is the boys golf coach.

Physics and chemistry are the classes he teaches. Wartburg is where he received a BS degree.

Otis Roby

General science, economics, and physical education classes are part of the schedule of Mr. Roby. He is also the softball, baseball, and head girls basketball coach.

Simpson college is where he received his BA degree.

John Roys

Marian Kruse

Oswald Goettler

John Wachter

VOCATIONAL EDUCATION

Skills learned for pleasure or profit are taught in these departments.

Jan Renes

Mr. Roys teaches industrial arts and metal working and is the sponsor of freshman-sophomore FFA. He earned a BS degree at Colorado State University.

Mr. Wachter is the vocational agriculture instructor and sponsor of the junior-senior FFA. He is a graduate of the University of Wisconsin with a BS degree.

Preparing good secretaries is the task of Mrs. Kruse. She does this with courses of typing, shorthand, secretarial practice, and office practice.

School publications are under her supervision. The University of Northern Iowa is where she graduated with a BA degree.

Mechanical drawing, industrial arts, and woodworking are the subjects which Mr. Goettler teaches. He received his BA degree from Wartburg College.

Receiving her BS degree from Iowa State University Miss Jan Renes began her teaching career at M-F-L this year in the home economics department. She is also a chaperone for girls basketball.

Helen Hoff

Florence Evans

Sharon Stade

Thomas James

Miss Helen Hoff is assistant in instrumental music and the director of the Cadet Band. She received her BA degree at Luther College.

In addition to directing the concert and marching band, Mr. James also gives instrumental music lessons. Conducting the pep band is shared with Miss Hoff and Mr. Ogle. The University of Dubuque is where he received his BME degree.

MUSIC

Since music is the universal language, students of M-F-L learn to communicate in harmonious tones from kindergarten through high school.

Private lessons in instrumental music are available to band members from the fifth to the twelfth grades.

Sweet sounds fill the room when Mrs. Evans and her elementary students get together.

Upper Iowa is her Alma Mater, where she received her BA degree.

Fremont Ogle

Through the work of Mrs. Stade, elementary students learn to appreciate music. She received her BA degree from Luther College.

The "sound of music" identifies Mr. Ogle's room each afternoon at 2:45 when the glee clubs practice. In addition to directing vocal music, he is also in charge of senior class night. He is a graduate of Upper Iowa college, where he received his BA degree.

IN MEMORIAM

Randy Ferguson

July 6, 1952 - April 6, 1966

One morning while on his paper route, Randy collapsed in a diabetic coma. No one was aware that he had diabetes. He died soon after. Had he lived, he would have graduated with the class of 1970 from M-F-L.

While in school, he enjoyed sports and played Little-League baseball in the summer. He had been a member of the Scouts.

He was baptized in the Lutheran faith and was preparing to be confirmed with his class at St. Paul Evangelical Lutheran Church at the time of his death. He attained the age of 13 years and 9 months.

Survivors include his parents, Mr. and Mrs. Jason Ferguson; two sisters, Pamela Kay and Patricia Ann; one brother, Ronald Lynn; grandparents, Mr. and Mrs. Charles DeSotel and Mr. and Mrs. William Ferguson.

Mark Hedeman

March 22, 1950 - December 31, 1969

As president of the student council during his senior year, Mark provided leadership for student affairs--primarily the homecoming festivities.

His hobby of photography provided the school newspaper and annual with exceptional action shots of the various sports.

Mark attended the M-F-L schools and graduated in 1969.

He was a member of the United Methodist Church in Giard and also the Youth Fellowship group.

After an illness of two days, he passed away December 31, 1969, at the age of 19 years, 9 months, and 9 days.

He is survived by his parents, Mr. and Mrs. Darrel Hedeman; a brother, Hugh; two sisters, Janice and Susan; and grandparents, Mr. and Mrs. Reuben Bernhard and Mr. and Mrs. Frank Baxter.

In honor of the memory of these two boys, the 1970 Bulldog is dedicated to Randy Ferguson and Mark Hedeman.

The candidates for King and Queen were introduced, and Mr. Dohse, Mr. Ernst, Mr. Gordon Schultz, and Shelley Kruse gave pep talks. Miss Hauan and Miss Forsberg presented a skit and the snake dance ended the evening.

Mets victory to the Bulldogs as a word of encouragement. Mr. Heald and his "boys" led the crowd in "Flat-Foot Floogie." Several yells were led by the junior high cheerleaders. The climax came at the crowning of the Queen, Carol Olson, by Jeff Heins. That night our boys played hard but lost the game.

Spirits rose again as students and alumni gathered in the gaily decorated gym to witness the crowning of the King, Jeff Heins, by Queen Carol. An evening of dancing concluded the festivities.

"Get tough out there!"

"The team may have lacked in experience, size, and speed; but they had great desire," was Coach Vangen's evaluation of the 1969 squad. This characteristic was evident in the game with Fayette, the conference champions, when the Bulldogs scored the second highest number of points of any game during the season.

Among those receiving varsity letters this year were Todd Corlett and Kevin Henning--an outstanding accomplishment for freshmen.

F.T.A.

Touching off a busy year, the M-F-L chapter of the Future Teachers of America sponsored a harvest ball held in the old gym. A setting of corn shocks, pumpkins, and bales of hay made a crisp, fall atmosphere for the event.

During National Education Week in November, FTA members served as secret helpers for the teachers and did odd jobs in the classroom when the teacher wasn't there. The climax of the week was a tea

for the faculty, at which time the identity of each helper was revealed.

At the district FTA convention, M-F-L members campaigned for offices. Mary Jo Olson was elected as district treasurer, and Patti Monserud was selected to be a candidate for the office of state secretary.

Patti was later elected as state secretary at the state FTA convention at Ames in the C. Y. Stevens auditorium. Twenty-four students from M-F-L attended the convention.

The cadet teaching program was again offered to those members desiring experience in the classroom.

SPEECH

The main purpose of speech, as it is taught in our school, is to give the students leadership, confidence, and poise. The first organized speech class in which students have the opportunity to exchange ideas began this year.

Thirteen students participated in the District Speech Contest at West Union.

State Division I Rating Winners

Bob Shifflett, Shelley Kruse, and Don Moore.

Don Moore, Cindy Drahn, and Lynn Riveland were entered in humorous acting. Betty Wessels was the only contestant in dramatic acting. Story-telling was represented by Shelley Kruse and Melody Huff. Brian Doom and Bob Shifflett were entered in interpretive prose. Noreen Lamborn gave a reading in interpretive poetry. Radio speaking, a relatively new field, was entered by Carolyn Rossbach.

Of these entries, ten students received Division I ratings. This gave them the privilege of competing at the State Speech Contest in Mason City. Three of the students earned superior ratings at the state level.

The speech program is under the direction of Mrs. Hamann and Miss Sedlmayr.

ANEAD

Leading the track team, Richard Smith was the only member to place at every meet. He placed fourth in the district track meet and set a new triangular meet record of 45'3" in the shot put division at Waukon.

Richard Smith demonstrates his shot putting technique.

Before the season is over the coaches are looking ahead to next year. Six underclassmen have shown great promise for the team in 1971. George Smith, a junior, is a fine sprinter and also high jumps. Five sophomores have also done well this year. Tom McCune participates in the long jump, sprint, and relays. Gary Wiedenmann is the one-half mile runner. Jason Klinge throws the discus and runs the 440 relay. Loren Lenth throws the shot put and discus, high jumps, and runs relays. Brad Freilinger runs the 440 and relays.

The six members of the track team that will make up the nucleus for 1971 are (front) T. McCune, G. Wiedenmann, J. Klinge, (back) B. Freilinger, L. Lenth, and G. Smith.

BULLDOG GROWL

Bringing the news of the classroom, and extracurricular activities to the people in our community is the purpose of the BULLDOG GROWL.

It is not known when the first paper was printed, but the title was chosen about 15 years ago. Students were asked to submit possible names for the paper. Of the entries, BULLDOG GROWL was chosen as the official name.

Every year more students are taking an active part in this extracurricular

activity. The editors conduct a meeting each week to discuss the correct style of writing and to learn the terms and correct procedures of journalism.

However, the editors aren't the only busy people on the staff. Industrious reporters and photographers stand ready to bring the highlights of past events and previews of coming ones.

A guiding hand is provided by Mrs. Edward Kruse, faculty advisor.

Conducting a staff meeting.

BULLDOG

Selecting a theme for the yearbook is of prime importance to the annual staff members. In seeking something that reflects the times, they chose to base this year's theme around the signs of the zodiac. Art work and headlines display this theme.

Recording the events of the entire school year in picture and copy is the goal of the annual staff. Writing copy, pasting pictures, and printing headlines are a few of the things that go into making

an M-F-L "history book."

It isn't all work, however. A friendly and cheerful atmosphere surrounds the workroom, and the easy and bantering talk make it a pleasant place to be. Time-off is taken occasionally for such things as a birthday party and a picnic.

All the work put in by staff members is worth it. Watching a meaningful yearbook grow, page by page, is more than enough reward for those who put their time and efforts into it.

Underclassmen watch as the seniors show them how it's done.

A night off for Chris's birthday.

Richard Smith, Ric Benzing, Jon Blumhagen, and Steve Radloff took part in the program, giving the response, farewell, class prophecies, and welcome, respectively.

Geraldine Wille, Steve Ryan, Candi Klima, Jon Blumhagen, Allan Wirkler, Betty Wessels, and Ric Benzing sang "A Time for Us," "More," and "I Can't Help Falling in Love," accompanied by Gail Langholz.

Good music, good friends, and a good prom make an enjoyable evening.

FOR US

On April 24, 1970, the junior class presented the junior-senior banquet and prom, "A Time for Us."

Following the banquet, which was held in St. Patrick's Parish Hall, the prom took place in the Luana gym. Music for dancing was provided by the Rubber Band.

Steve Marting and his date, June Garnsworthy.

Dixie Russett, Candi Klima, and Claudia Huinker are shown working on the large mural that was the center of interest in the gym. It pictured a scene from "Romeo and Juliet."

THERE'S A NEW WORLD COMING

On April 7, 1970, the high school home economics department presented the yearly style show. Under the direction of Miss Jan Renes, eighty girls from the freshman, sophomore, junior, and senior classes participated.

The theme of the style show was centered around the signs of the zodiac.

Door prizes, entertainment, and lunch were enjoyed by all.
